

DaSy Early Childhood Data System Framework Partner State Application Process Webinar

The **DaSy Center** is looking for state partners to collaborate on the development of a framework for quality childhood data systems for Part C and Section B 619 programs. We need the expertise and perspectives of states in the development of this national resource!

Join us on a webinar to hear more detail and ask questions about this opportunity to collaborate with the DaSy Center and colleagues across the country.

Introductory Webinar

June 3, 2013

3:00–4:00 pm EDT

Dial in: Please [click here to check for a local number to join the call](#). If there is not a local dial-in number in your area, please use 1-888-387-8686. The passcode for your local number or the 888 number is the same: 460-420-3714
